# PALM SPRINGS AIR MUSEUM

Where history comes alive...

## PRESERVE EDUCATE HONOR

- Over 70 Vintage Aircraft from WWII through Korea and Vietnam including a B-17 bomber open for interior touring
- Library with computer flight simulators and Veteran's oral histories
- Ongoing educational programs, children's activities, and flight exhibitions
- Spacious 89,000 sq. ft. climate controlled facility
- Movies and Documentaries shown daily in the Ron Auen Theatre
- Extensive original aviation art and murals, plus dramatic exhibits covering the major events of WWII through Korea and Vietnam
- Private parties available
- Unique aviation themed gift shop

**Your safety is important to us and we want you to enjoy your visit.  
The Palm Springs Air Museum is an active, flying museum.  
Please observe the following precautions.**

- Aircraft have sharp edges and hard surfaces, and there are drip pans beneath the aircraft to collect normal oil accumulation.
- Approach each aircraft with caution and instruct your children to do the same.

## Jack Bernabucci Restoration
